COMMUNITY DINNERS

On the third Tuesday of each month, our church has volunteered to cook dinner for those in need in our community. We would like to have cooking teams in place three months in advance. Please consider signing up to either head up a team or to be a part of a cooking team. There is a sign up sheet on the bulletin board across from the church office where you can write your name to help. After you sign up and you find that you have a conflict, you can change months by calling Missions Committee member Karen Bowen at 360-261-8203. The dinners will be prepared in our church kitchen. **Your help is needed** and we appreciate your consideration to join a cooking team!

From Tina VanderWal

Our daughter, Crystal and her four beautiful children flew back home to Texas. It was a whirlwind - three weeks filled with many adventures including a blueberry picking trip, a trip to see the whales and a hike on the Ozette Loop where they actually saw a black bear on the trail they were hiking - definitely a little scary.

All our family here in Washington also joined us as we swam, played games, and thoroughly enjoyed each other's company.

But at the end of their visit, saying good-bye was so tough. After lots of hugs and tears, they left for the airport. Yet, I am so grateful for this time we had together.

One day we will all live in the same home - heaven. Not only will we never have to say good-bye again to loved ones who live in other states or countries, but we will be reunited with all those loved ones like grandparents or parents that have passed on before us. And the greatest gift, we will live with Jesus and God our Father. Never again will we have a tearful goodbye. Sounds heavenly, doesn't it?

But until that day, we just need to cherish the time that we have with our loved ones. And build memories together that will eventually outlive us. Thank goodness for the inventions of cameras and videos, for even when people aren't with you, reliving those beautiful memories through viewing them is possible.

Sweet Lord, thank you for time spent with our loved ones, and the precious memories they build. And thank you for the Hope we have in You to all be reunited together in your heavenly kingdom one day where there are no sad goodbyes.

"My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you?"
John 14:2
